THE HOUSE

Nffadh —

French Craft, Dubai Heart

Nffadh is a French perfume house operating from Dubai. Every composition is formulated in France with the climate of the Gulf in mind — a rare combination that most European brands overlook and most regional brands cannot replicate.

French Perfumery

Composed by French-trained perfumers with oud and cedarwood at the base, using traditional European materials.

Climate-Resilient

Formulated for the humidity and heat of Dubai — amplified sillage where lesser perfumes evaporate.

Niche Concentration

An Eau de Parfum with niche-level longevity, without the heaviness of pure parfum.

ON SILLAGE

The French Word *for the Trail Behind*

Sillage is where Oudict shows its craftsmanship. Enough to announce a presence, never enough to overwhelm. On warm skin in humid climates, the oud and cedarwood base lasts through a long day.
